1. It is May 11.
2. She is going to take an exam.
3. It is three a.m.
4. She is studying.
5. She is in an exam room/hall.
6. She feels tired/sleepy.

Part II

It was the night before the big exam, and Cora was worried. There was a big pile of books on her desk, and she had to stay up all night and study them. She made a big pot of coffee and got down to work. Finally, at around three a.m. Cora felt she had memorized enough information to get a pass grade, and she went to bed. The next morning, halfway through the exam, Cora fell asleep. She didn't finish the paper, and needless to say, she flunked the exam.

4. He is thinking she will be scared.
5. They are riding on the roller coaster.
6. He feels terrified.

Part II

Dean and his friend Dora were at the amusement park. Dora seemed bored, so Dean bought her some candy floss. Then he asked her if she would like to ride the roller coaster with him. Dean secretly thought Dora would be terrified, and he could put his arm round her to comfort her. But as the cars rose to the top, Dean began to get an uncomfortable feeling. The coaster gathered speed and headed down the steep hill. Dean was terrified. As for Dora, she loved the exciting ride.
